

General Terms and Conditions of the Exhibition

Updated May 2025

1. Terms of registration

To apply for participation at the exhibition, the official registration form has to be sent to the organizer of the event. This form has to be completely filled out and signed with legally binding effect. By submitting the signed exhibition form the exhibitor accepts the general terms of the exhibition.

2. Rent of exhibition space

The exhibitor receives a confirmation of receipt after sending his registration. The final confirmation of the registration and the allocation of the exhibition space will be made by the organizer approximately two months before the event. Due to limited space at the venue, a stand cannot be guaranteed. A participation in earlier years does not guarantee a stand in the current year. The allocation of the booth is based on the temporally order of the incoming registration. For assigning exhibiting rights to a third party, a written authorisation from the organizer is necessary.

3. Booth layout

The organizer has defined the conditions of booth layout and design in cooperation with the project partner Mplus Messebau GmbH. The exhibitor has to bear all costs of additional fittings and equipment, which have to be arranged with Mplus Messebau GmbH.

The following terms and conditions have to be noticed

- All booth plans and construction plans must be sent (by email) to Mplus Messebau GmbH by November 1st of the event year.
- The specified schedule for assembly and disassembly has to be followed strictly.

4. Exhibition goods

All exhibition goods have to be listed in the registration form or have to be announced to the organizer by November 1st of the event year. Admissions for exhibits given at previous events do not automatically guarantee admission for this event. The organizer is authorized to cancel the admission, if it has been given wrong data or information.

5. Liability and insurance

The organizer cannot be held liable for any damages, losses, etc. of the exhibitor's own or rented goods or injuries of persons caused during the exhibition, assembly and disassembly of the booth or during transportation to or from the exhibition ground. Not even if these damages or losses are not caused by the exhibitor or their assistants. Therefore, it is recommended to take out insurance for the insurable risks such as fire, theft, water and weather damages, damages, etc., including the risk of transportation of exhibition goods. The exhibitor shall be liable for any damage done to the building and/or the furniture (for example adhesive residues). It is not allowed to drill or nail into walls, ceilings or floors.
